RE: iPad Replacement Cost

To whom it may concern:

Beginning with the 2017-18 school year, Northern Wells Community Schools is utilizing an iPad 32GB for each student in grades K-12. This device will be used in lieu of and in conjunction with textbooks. Parents are responsible for paying any repair costs due to damage of the iPad up to an including the replacement cost of the device. The **replacement cost of the iPad 32GB device is \$299.**

Sincerely,

Scott Mills
Superintendent
