

Compare College Options

Start researching your college options at LearnMoreIndiana.org/Colleges. Enter colleges you are considering and their stats in the grid below. Make extra copies if you are comparing more than two schools. Take a look at your completed worksheet and reflect on the information.

What do you think?

Research your options online.

Name		
Location (location name and description, such as rural, urban, small town)		
Type (Two-year or less/ four-year; public/private, religious affiliation)		
Number of students		
Average class size		
Where I'd live (dorm, home, apartment)		
Potential major and future career		
Cost (tuition, fees, room & board)		
What I like best about this option		
What I like least about this option
