The remediation plan must require the use of the certificated employee's license renewal credits in professional development activities intended to help the certificated employee achieve an effective rating on the next performance evaluation. If the principal did not conduct the performance evaluation, the principal may direct the use of the certificated employee's license renewal credits under this subsection.

(c) A teacher who receives a rating of ineffective may file a request for a private conference with the superintendent or the superintendent's designee not later than five (5) days after receiving notice that the teacher received a rating of ineffective. (c) A school corporation may substantially modify the model plan or develop the school corporation's own plan, if the substantially modified or developed plan meets the criteria established under this chapter. If a school corporation substantially modifies the model plan or develops its own plan, the department may request that the school corporation submit the plan to the department to ensure the plan meets the criteria developed under this chapter. If the department makes such a request, before submitting a substantially modified or new staff performance evaluation plan to the department, the governing body shall submit the staff performance evaluation plan to the teachers employed by the school corporation for a vote. If at least seventy-five percent (75%) of the voting teachers vote in favor of adopting the staff performance evaluation plan, the governing body may submit the staff performance evaluation plan to the department.
