

What is PTO?

The Ossian PTO was originally formed to provide additional help to the teachers and school as well as to fund various needs for OES students.

Who is PTO?

Ossian PTO consists of an Executive Board, Board members, Helpers and Teacher Representatives from each grade as well as representatives from Art, Music, P.E., Library and the resource room. The 2018/2019 school year Executive Board consists of:

Jamie Steffen – President

Amber Hackworth – Vice-President

Tina Selking – Secretary

Megan Simerman - Treasurer

When is PTO?

Parents are encouraged to attend the monthly meetings, as this will give them a clear picture of what is happening at OES and opens opportunities for them to help make our school a better place. Our Principal is in attendance at the meetings to give a monthly report of school happenings and to answer parent questions. Meetings are currently held on the last Tuesday of every month, unless otherwise announced.

Why PTO?

With both parents and teachers working together, we have been able to provide an atmosphere where children desire to learn and enjoy their elementary years.
